

AUDITORIUM AND LECTURE HALLS

SCE has three circular lecture halls with theater seating. Each hall has a capacity of 110 seats and is equipped with audio-video and digital devices and presentation screens. The halls are used for lectures, conferences and special events.

The three halls can be combined into one 330-seat auditorium for major conferences and events for visiting lecturers and international conferences. The local Beersheva community also makes use of the space for events.

The reception hall at the entrance of the auditorium comprises a large foyer for receptions and gatherings for special events.

NAMING AND RECOGNITION

SCE is offering a major naming opportunity for each lecture hall. The funds will be used for ongoing maintenance and upgrading of the facilities. The donor will be recognized with a customized plaque prominently displayed on the wall at the entrance to the auditorium. The dedicated name will appear in all event notifications, communications and SCE bulletins.
