

CAMPUS SYNAGOGUE

There is a high demand for a synagogue at SCE from Jewish students of a broad spectrum of religiosity. Some use the space for daily prayers, while others relish the opportunity for introspection, reflection and community.

The SCE synagogue will be open and accessible to everybody. Students, faculty members and administrative staff will all enjoy the unique atmosphere this synagogue will offer on campus.

The synagogue will be open for daily prayers as well as services on holidays and special occasions. SCE recognizes the importance of faith as a key factor in personal and professional success and achievement. We are proud to offer this opportunity to anyone who wishes to take part in this significant project.

NAMING AND RECOGNITION

SCE seeks a major donation and will name the synagogue for the donor. In addition, signage with an artistic dedication will be prominently displayed at the entrance to the synagogue.

The new name will be featured on the SCE website and in all communications.
