

CLASSROOMS

SCE's rapid growth has created an acute need for additional classrooms on both the Beersheva and Ashdod campuses. All the SCE classrooms will have comfortable chairs and tables and include audio-visual equipment and computerized podiums for instruction.

There are two classrooms sizes needed:

- Small classrooms for 40-50 students
- Large classrooms for 50-75 students

Classroom design will vary according to the specifications of each department. The classrooms will be used year-round, including the summer months. They will be open daily from 8:00am to 10:00pm.

NAMING AND RECOGNITION

Each classroom will be named for its donor and recognized with a prominently displayed plaque at the entrance to the class with the name and text chosen by the donor.

Naming of small classroom:	\$50,000
Naming of large classroom:	\$75,000
