

**SCE Tech Fest 26**  
Innovation Sustainability Community

---

## **Program | Beer-Sheva Campus**

---

## Sunday, June 14, 2026

8:00–22:00

### MECHATHON 2026

Department of Mechanical Engineering  
| Legacy Classrooms, Floor 1

9:00–16:00

### Final Project Defenses

Department of Computer Science  
| Shamoon + Safra Classrooms, Floor 1

9:00–16:00

### Final Project Defenses

Department of Industrial Engineering  
and Management | Legacy Classrooms,  
Floor 1

10:00–13:00

### Competition – “Machine Learning” Course

Department of Electrical and  
Electronics Engineering | Einstein  
Classroom 101

16:30–18:00

### Hackathon + Adama Excellence Awards

Department of Chemical Engineering  
| Minkoff Auditorium + Shamoon &  
Legacy Classrooms

## Monday, June 15, 2026

9:30–16:30

### ADTM Conference

Prof. Jehuda Haddad, SCE Founder  
Conference Chair: Prof. Shlomo  
Greenberg, Head of the Department of  
Computer Science | Minkoff Auditorium +  
Legacy Classrooms, Floor 1

9:00–12:00

### Structural Dynamics Hackathon

Department of Civil Engineering | Katzir  
Building Porch, 2nd Floor

9:00–13:00

### MECHATHON 2026

Department of Mechanical Engineering |  
Legacy Classrooms, Floor 1

8:00–20:00

### Hackathon + Adama Excellence Awards

Department of Chemical Engineering |  
Minkoff Auditorium + Shamoon & Legacy  
Classrooms

10:00–11:30

### Scientific Writing in AI era

Prof. Konstantinos Petridis, Department  
of Electrical and Electronics Engineering  
| Legacy Classroom 200

10:00–14:00

### Marketing Management Hackathon

Department of Industrial Engineering and  
Management | Safra Classrooms, Floor 1

10:00–15:00

### Robotics Exhibition + Science Demonstration Installations

Department of Mechanical Engineering  
| Katzir Building, Ground Floor

## Tuesday, June 16, 2026

### Opening Ceremony of Final Projects Conference

9:30–10:00: Gathering and reception at  
Minkoff Lobby

10:00–11:00: Welcoming remarks and  
opening lecture, Minkoff Auditorium

Prof. Jehuda Haddad, SCE Founder  
Conference Chair: Prof. Ariela Burg,  
Head of the Department of Chemical  
Engineering

Tal Avitan, Director of The National  
SOC, Israel National Cyber Directorate  
AI-Driven Cyber: The New Balance  
of Power Between Attacker and  
Defender”

11:00–18:00

### Capstone Projects Conference

First Floor Corridor

11:00–18:00

### Open Day for Potentials Students

First Floor Corridor

10:00–20:00

### Exhibition: “Trump-Superstar”

Department of Visual Communication  
| Legacy Lobby, Floors 1–2

14:00–16:00

### Inspiration Meeting for Women in Higher Education | VIP Room

15:00–18:30

### Defense of Excellence- Nominated Projects

Department of Software Engineering  
| Minkoff Auditorium

## Wednesday, June 17, 2026

9:00–16:30

### International Researchers’ Conference

Prof. Jehuda Haddad, SCE Founder  
Conference Chair: Prof. Victor  
Kagalovsky, Dean of the Engineering  
Faculty, and Head of the R&D Authority  
| Minkoff Auditorium

12:00–13:30

### Lecture: “Career Path Strategy for Industrial Engineering & Management Graduates in the Information Systems World”

Speaker: Meir Efrat, Alumni of the  
Department of Industrial Engineering  
and Management | Safra Classroom 104

Exhibition – Department of Architecture

Legacy Building, Floor 3
