

SCE Tech Fest 26
Innovation Sustainability Community

Program | Ashdod Campus

Sunday, June 14, 2026

9:00–12:00

WORKSHOP – Geotechnical Engineering in Complex Projects: Challenges and Solutions

Department of Civil Engineering | Auditorium 110, Jabotinsky Campus

9:00–14:00

Software 2.0 - the AI edition

Department of Software Engineering | Jabotinsky Campus

9:00–13:00

Hackathon – Object-Oriented Programming Course

Department of Software Engineering | Classroom 1006, Jabotinsky Campus

9:00–13:00

Hackathon – Advanced Object-Oriented Programming Course (2nd Year)

Department of Software Engineering | Classrooms 1003, 1005, 1007 – Jabotinsky Campus

10:00–14:00

Hackathon – Algorithms 1 Course

Department of Software Engineering (Haredi Campus) | Classrooms 1014, 1015 – Jabotinsky Campus

10:00–14:00

Project Competition – Antennas Course

Department of Electrical and Electronics Engineering | Classroom 168, Jabotinsky Campus

10:00–12:00

Submission - Robotic and Autonomous Systems

Department of Mechanical Engineering | Mechanical Engineering Studio, Z158 – Bnei Brit Campus

10:00–13:00

Guest Lecture + Alumni Panel

Department of Industrial Engineering and Management | Auditorium Z130, Bnei Brit Campus

11:00–13:00

Project Showcase – “Software Project Management” Course

Department of Software Engineering | Classroom 1001, Jabotinsky Campus

12:00–15:00

Geo-Engineering Conference No. 3

Department of Civil Engineering | Auditorium 110 + Jabotinsky Lobby

12:00–13:00

Program Tracks Expo

Department of Mechanical Engineering | Auditorium Z131, Bnei Brit Campus

13:00–14:00

Capstone Project Showcase – 3rd Year

Department of Software Engineering | Classroom 1007, Jabotinsky Campus

13:00–14:00

Project Showcase – Software Testing and Quality Assurance Course

Department of Software Engineering (Haredi Campus) | Classroom 1016, Jabotinsky Campus

13:00–16:00

Design Thinking Workshop

Department of Industrial Engineering and Management | Classroom 171, Jabotinsky Campus

14:00–17:00

Capstone Projects Showcase

Department of Mechanical Engineering | Auditorium Z130, Bnei Brit Campus

17:00–19:00

Submission – Introduction to Design 2 (Product Development)

Department of Mechanical Engineering | Classroom Z134, Bnei Brit Campus

Monday, June 15, 2026

10:00–12:00

Departmental Seminar

Department of Electrical and Electronics Engineering | Auditorium 110, Jabotinsky Campus

10:00–12:00

Pro-Cement Installations

Department of Civil Engineering | Plaza A, Bnei Brit Campus

11:00–13:00

Lectures – Engineering Project Course

Department of Civil Engineering | Classroom Z128, Bnei Brit Campus

14:00–17:00

Mini-Conference – “Industry 4.0” Course Digital Transformation

Department of Industrial Engineering and Management | Classroom 1006, Jabotinsky Campus

16:00–19:00

Submission – Introduction to Design 2

Department of Mechanical Engineering | Mechanical Engineering Studio, Z158 – Bnei Brit Campus

16:00–20:00

Industry Conference

Department of Electrical and Electronics Engineering | Auditorium 110, Jabotinsky Campus

Tuesday, June 16, 2026

9:30–10:00

Opening Ceremony of Final Projects Conference

Gathering and reception

10:00–11:00

Welcoming remarks and opening lecture

Dr. Gedalya Mazor, Head of the Conference, Dean of the Engineering Faculty

Prof. Guy Ben-Hamu, Conference Chair and Head of the Department of Mechanical Engineering

Moshe Dehokerker, Deputy VP CTO, IAI Elta, "Challenges & Lessons of Recent Wars" | Auditorium Z130, Bnei Brit Campus

11:00–18:00

Capstone Projects Conference

Bnei Brit Campus

11:00–18:00

Open Day for Potentials Students

Bnei Brit Campus

11:00–14:00

Final Project Defenses

Department of Software Engineering | Classrooms Z135, Z134, Z133, Z127 – Bnei Brit Campus
